PROFESSIONAL SUMMARY

B.Sc. IT graduate (CGPA 8.30) with hands-on professional experience building responsive, SEO-optimised real estate websites. Proficient in WordPress, Elementor, HTML5, CSS3, and JavaScript with a strong eye for clean UI. Eager to grow as an Associate Software Engineer or Frontend Developer, bringing a disciplined work ethic, collaborative mindset, and a passion for delivering polished digital experiences.

TECHNICAL SKILLS

Frontend & Web	HTML5, CSS3, JavaScript (ES6+), Responsive Web Design, WordPress, Elementor
Programming	Python (Fundamentals), Java (Fundamentals), SQL, DBMS Concepts
Tools & Platforms	Git, GitHub, VS Code, Canva
Other	SEO-Oriented Web Layouts, UI Customisation, Cross-Browser Compatibility

PROFESSIONAL EXPERIENCE

Junior Web Developer

Jul 2025 – Present

The Big Carpet (TBC) — Bhiwandi, Maharashtra

- Designed and customised **responsive real estate websites** using WordPress and Elementor, reducing page load time through optimised layouts.
- Built **SEO-oriented landing pages** for property listings, contributing to improved organic search visibility.
- Implemented UI enhancements with **HTML5, CSS3, and JavaScript**, ensuring consistent cross-device rendering.
- Collaborated with design and SEO teams to translate briefs into pixel-accurate, user-friendly interfaces.
- Maintained version control using **Git/GitHub**, enabling smooth team-based development workflow.

PROJECTS

RFID Car Parking Tollgate System

Engineered an automated parking solution using **Arduino UNO and RFID** hardware, paired with a custom web interface (HTML, CSS, JavaScript) to display entry/exit logs in real time.

Personal Portfolio Website

Architected and deployed a fully responsive portfolio site showcasing projects, skills, and achievements — optimised for performance and accessibility.

Responsive Image Gallery

Created a dynamic, filterable image gallery with **CSS Grid and JavaScript**, supporting smooth animations and mobile-first layouts.

Interactive Calculator

Built a functional arithmetic calculator with an intuitive UI, handling operator precedence and keyboard input via vanilla JavaScript.

EDUCATION

B.Sc. in Information Technology

2022 – 2025

University of Mumbai • B.N.N. College (A.S. & C.), Bhiwandi • **CGPA: 8.30 / 10**
